

At SSLC, our purpose in providing your child an education goes beyond simply helping students learn the academics required to enter college or get a good job. We desire to build in students a life-long burning passion to learn and grow spiritually. It is one thing to want children to be successful and quite another to provide the academic and character training to ensure this accomplishment.

## **Character Development**

Godly character training is part of our program here at SSLC. Learning experiences, and preparation to encourage students to welcome and accept challenges and future opportunities. Sixty character traits, such as kindness, loyalty, and honesty, are taught within the curriculum. Students can observe character development in the true-to-life character strips and then apply the Godly character lessons to their own lives.

## **Scriptural Foundation**
